AND CARROLL, CHOCTAW AND TALLAHATCHIE COUNTIES ADVERTISER.

CARROLLTON, MISSISSIPPI, SATURDAY APRIL 17, 1841.

VOL. I.—NO. 18

By G. W. H. BROWN.

Prospectus,
For publishing in the town of Carrollton, Carroll county, Miss., a weekly paper to be entitled the **Southern Pioneer,**

(BY G. W. H. BROWN.)
UNDER the above title of the "SOUTHERN PIONEER," we propose to publish in the town of Carrollton, a new Weekly Paper, devoted to Politics, both State and National, Agriculture, the current news of the day, and the advancement of the great cause of Education. This paper will be devoted to what its conductor believes to be the best interests of the State and country. It will advocate the great Whig cause which you have recently seen so signally triumphant. Believing, that the principles put forth by the great Whig party as the tenets of its political creed, are the only true ones on which this Government was originally founded, and on which it should be administered, this paper will tend to those principles, whenever and wherever espoused, its humble but cordial support.

No man or set of men, will be by us unscrupulously sustained at the expense of principle. "PRINCIPLES NOT MEN," is our motto—by this rule shall we be governed, and in subjecting all to this test, we shall as we find them, judge with impartiality, admonish with candor, and reprehend with justice. As humble Pioneers in the great cause of political truth, we shall ever point to the cardinal virtues of a representative Government. But, the interests of our State, and more particularly of our county, shall receive at our hands a constant and an earnest advocacy. While our sister counties have been the object of Legislative action, and Executive patronage, the county of Carroll has remained comparatively unknown and unappreciated. It shall therefore be our pride, as well as our duty, to develop its vast resources and point out its numerous advantages. The cause of education, the cause of enlightened and progressive civilization, the only true bulwark of a nation's freedom, shall receive that attention its importance demands. In fine, as humble Pioneers in the great crusade against ignorance and error, we shall shoulder our mattock and shovel, and taking our place in the great march of modern improvement, our course shall ever be as Marked out to Stanley, "ONWARD."
